### Ratings

#### Overall

From ratings in health inspections, nurse staffing, and measures of medical-care quality.

#### Health Inspections

How well this home met health and safety standards for food preparation and other nursing-home activities in the latest three state inspections. Such inspections are conducted at least every 15 months.

#### Nurse Staffing

Average number of hours per day of care received per resident from nurses at all levels.

#### Quality Measures

Percentages of residents who got recommended care, such as flu vaccinations, and percentages of residents who had pain, bedsores, urinary tract infections, and other care-related problems.
